

VOLVO CUSTOMERS TALK COMFORT & EFFICIENCY

“THE RIDE IN THIS VOLVO VT 880 IS TRULY UNBELIEVABLE.”

James Carr, Owner-Operator

Jim Carr had always driven Western Stars. He thought they rode well, until he got behind the wheel of a Volvo VT 880.

“I have been an owner-operator for 15 years, and I had always driven Western Stars and was happy with them. I really had no inclination to look into anything else. But in August 2005, the salesman I had always done business with in the past, Jesse Winslow, called me. I typically trade in my old truck and buy a new one about every three years. Jesse knew it was about time for me to get a new one. He was now with the Ed Schmidt Volvo truck dealership in Maumee, OH, and he wanted me to come take a look at the latest new truck from Volvo – the VT 880.

“From the minute I saw it I knew it was what I wanted. We put the deal together that same day and I brought the truck home.

“I like absolutely everything about my new truck. I love the classic hood, exterior styling and the interior spaciousness. Yet everything is right at your fingertips. And the ride is truly unbelievable. I thought my Stars rode well, but they can't compare to this. I get a lot of compliments over the (CB) radio going down the road in this new long-hood Volvo. Other drivers see it and want to know how I like it. I recommend it to everyone I talk to.

“I had never really considered driving anything but a Western Star before. But now that I have this Volvo VT 880, I know it won't be my last.”
