# VOLVO FILTERED FOR SAVINGS.

Take part in big summer savings from Volvo and your local Volvo dealer\*. Stop by your local Volvo dealer anytime **between now and October 30, 2009** and take **25% off** purchases of \$100 or more on either:

■ **Volvo 1,000-Hour Filter Care Kits**

OR

■ **Genuine Volvo Filters**

## VOLVO FILTER CARE KITS:

- Convenient maintenance solutions
- Save time in parts identification
- The newest parts up to current product updates

## VOLVO-BRANDED FILTERS:

- Better engine performance: Nanotechnology means more pores per square inch than competitive air filters
- Fuel savings: Volvo filters offer better filtration & improved airflow
- More uptime & cost savings: Less time between filter replacements
- Longer life: Volvo filters have a higher particle absorbency capacity than standard oil filters

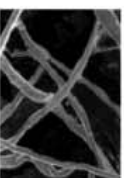

**As shown in photos, Volvo has a larger filter area and a better spring than competitive filters.**

Volvo, your dealer & you. Call or visit your dealer today for great filter savings that will help keep you up, running and earning.
